A comfortable and personal place

BACKSÄLEN sofa invites you to rest after a busy day. The deep seat together with the height of the back and armrests provide a relaxed sitting position and embracing feeling – a comfortable place to crawl up in when the rain is pouring down and you want to spend a few hours watching a TV series. The sofa is also designed to suit different environments and so that you can add your personal touch with soft cushions and throws. Everything so that it suits your home!

All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.com.cy for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

Good to know

Our fabrics have been tested

At IKEA we test the fabric covers on our sofas and armchairs so you can be sure they're durable. The fabric's ability to resist abrasion is tested by using a machine to rub it against another fabric while applying firm pressure. A fabric that can take 15,000 cycles is suitable for furniture that must withstand everyday life at home – and if it can take more than 30,000 cycles, it is very resistant to abrasion. All fabrics are sensitive to sunlight, which is why we also check that our fabrics resist fading effectively.

Durable in different ways

Tough tests are an important way to check the durability of our fabric covers, but they don't tell the whole story. Durability also depends on materials, construction and manner of use. Heavy, tightly woven fabrics with a flat surface are most resistant to abrasion. Fabrics with a mixture of natural and synthetic fibres can withstand abrasion better than fabrics with only natural fibres. Yarn-dyed fabrics are more durable than fabrics with printed patterns. And a dirty cover wears out faster than a clean one. The fabric is also affected by how you use your sofa of course.

	Washing instructions	Resistance to abrasion (cycles)	Light-fastness (1-8)
Blekinge	Machine washable at 60°C	25,000	5
Katorp	Machine washable at 40°C	25,000	5
Hallarp	Machine washable at 40°C	25,000	5
