

Buying guide

LIXHULT

Storage cabinets

Care

Wipe clean with a cloth dampened in a mild cleaner. Wipe dry with a clean cloth.

Safety

To prevent this furniture from tipping over, it must be fixed to the wall. As wall materials vary, screws for wall fixation are not included. For advice on suitable screw systems for your wall, contact your local specialised dealer. Wall fixing/hanging must be carried out by a qualified person, since wrong fixation may cause injury or damage.

Expressive storage your way!

Whether you prefer a toned down minimalistic or playful and colourful expression, the LIXHULT cabinets is a storage solution that fits across the home. The series is perfect to use in those spaces where you normally cannot fit larger storage units; in between furniture, in corners, between windows and under staircases. Basically, anywhere you need and want it!

You can use LIXHULT as a small and fun solution, or as larger, personalised combinations. Make your own LIXHULT by combining the different sizes and colours, have fun and let your personality shine through!

All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.com.cy for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

Wall anchoring guide

If your wall material is not listed or if you have questions, consult with a local hardware retailer.

We all want our homes to be a safe place. But in our homes, accidents can put children at risk. Working together, we can help prevent these accidents and make the home a safer place.

- Secure it! Use the right hardware for your wall type. Consult the enclosed guide for help with hardware.
- Never put a TV or other heavy objects on top of LIXHULT that is not intended for use with a TV.
- Never let children climb or hang on doors or shelves.

Wall material: Drywall or plaster with available wood stud.

Anchoring device: Screw inserted directly into stud. For example, a 5 mm wood screw provided with IKEA FIXA plug and screw set.

Wall material: Masonry.

Anchoring device: Plug with screw. For example, an 8 mm plug provided with IKEA FIXA plug and screw set.

Wall material: Drywall or plaster without available wood stud.

Anchoring device: Plug with screw. For example, an 8 mm plug provided with IKEA FIXA plug and screw set.

Anchoring device hollow wall: Toggle-style.

Combinations

You can combine different colours and sizes, change the placement of the cabinets as you like and create a solution with its own complete look. Here are some suggestions.
