### GOOD TO KNOW

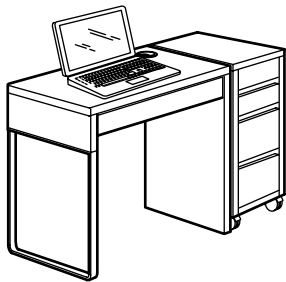

Be sure to follow the instructions in the manual for charging electronic equipment. We recommend that you switch off the power supply when leaving electronic equipment unattended for a longer period.

### Room for working, surfing, gaming

The MICKE series gives you maximum work surfaces and storage – in a minimum space. All the parts have the same height and depth so they're easy to use together. Make a functional and personal combination consisting of one or more workspaces with cable compartments under the table top and smart, effective storage solutions. And you can naturally change or complement the combination whenever you want. Just choose the parts you need – and customise a solution for you and your computer.

# COMBINATIONS

**Small is smart.** MICKE desk 73×50 cm can fit in any small space. With a drawer unit on castors next to the desk, you get even more work surface - and practical storage, all in less than a square metre!

Overall size: 108×50 cm, height 75 cm.

**This combination 84.98€**

**Laptop or desktop computer?** MICKE desk 105×50 cm has a storage compartment with adjustable shelves - if you have a desktop computer, you can easily make space for it here. With an add-on unit on top, you will still have plenty of space for books, CDs and your favourite gadgets.

Overall size: 105×50 cm, height 140 cm.

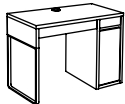

**This combination 109.99€**
