

Buying guide

HEMNES

Living room series

Design

Carina Bengs

Care instructions

Wipe clean with a cloth dampened in a mild cleaner.
Wipe dry with a clean cloth.

Safety

Unanchored furniture can tip over. Some of these furniture shall be anchored to the wall with the enclosed safety fitting to prevent it from tipping over. Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home (wall mounting screws are not included).

A modern tradition

Nothing says traditional like the style and solid wood of HEMNES. Wood is a natural material that ages beautifully and is both durable and renewable. It also gives character and natural beauty to the furniture, so that you want to live with it in your home for a long time. Coordinate your home with HEMNES living room series that comes as coffee tables, side tables, media storage, bookshelves and glass-door cabinets. So, whether you want to display your finest classics or your modern devices, quality and style are a HEMNES tradition.

All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.com.cy for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

Wall anchoring guide

If your wall material is not listed or if you have questions, consult with a local hardware retailer.

We all want our homes to be a safe place. But in our homes, accidents can put children at risk. Working together, we can help prevent these accidents and make the home a safer place.

- Secure it! Use the tip-over restraint provided with the product and the right hardware for your wall type. Consult the enclosed guide for help with hardware.
- Never put a TV or other heavy objects on top of a chest of drawers or any furniture not intended for use with a TV.
- Place heavy objects in the lowest drawers.
- Never let children climb or hang on drawers, doors or shelves.

Wall Material:

Drywall or plaster with available wood stud.

Anchoring device:

Screw inserted directly into stud. For example, a 5 mm wood screw provided with IKEA FIXA plug and screw set.

Wall Material:

Masonry.

Anchoring device solid wall:

Plug with screw. For example, an 8 mm plug provided with IKEA FIXA plug and screw set.

Wall Material:

Drywall or plaster without available wood stud.

Anchoring device:

Plug with screw. For example, an 8 mm plug provided with IKEA FIXA plug and screw set.

Anchoring device hollow wall:

Toggle-style.
